Help Fund Cancer Research – *Get Involved Now*

Golfers Against Cancer (GAC) is a national organization founded in 1997 by a group of Houston golfers who lost two close friends to cancer. Motivated to raise money for cancer research, they created an annual golf tournament with a live/silent auction, with proceeds going to fund grants for local cancer researchers. Nationwide, Golfers Against Cancer has raised over \$22 million to fund cancer research. On July 29th, 2012, the Denver chapter will be hosting their 4th Annual Gala at the Denver Marriott South at Park Meadows followed by the GO Subaru Celebrity/Pro-Am Golf Tournament at Pinehurst Country Club on July 30th to benefit Cancer Research.

Golfers Against Cancer is unique in that it sponsors research projects that are in the early stages of development that would not normally qualify for federal funding. Our mission is to assist researchers in advancing their project to the stage where they can receive federal grants. Our 2012 goal is to donate over \$100,000, which will be used to provide funding for research being conducted at the University of Colorado Cancer Center (UCCC) in Aurora, CO. To date, the Denver chapter has donated over \$200,000 to projects at UCCC and we are proud to announce that those projects have received an additional \$2 million in grant money. To illustrate the power of your support, a \$23,000 grant we awarded to a project allowed the researchers to apply for and receive an additional \$1,200,000 in funding from the National Cancer Institute! We are quite proud that our first three years have provided such amazing results...and it just goes to show that every \$25 or \$50 contribution can make a huge difference.

Funding for research grants will be raised through corporate sponsorships, individual tickets sales and the live and silent auctions held during the events. In order to make this event a success, we are asking local businesses for their support by sponsoring a table, purchasing individual tickets to the dinner, donating items or participating in the golf tournament. Please see the enclosed information for details on the various sponsorship levels. Contributions aside from the annual dinner, auction and golf tournament are also welcome. All donations are tax-deductible and 100% of the proceeds from your sponsorship will go directly towards research grants. Our tax-id number is 76-0574871.

We invite you or your organization to join Denver Golfers Against Cancer in supporting the University of Colorado Cancer Center in their quest to find a cure for cancer. For more information, please visit our website at www.denvergolfersagainstcancer.org or e-mail us at gacdenver@gmail.com.

Sincerely,

Scott Pearson
