

The Denver Golfers Against Cancer Chapter

The Denver Chapter of GAC is 100% volunteer staffed. Donations, sponsorships, and funds raised at the Denver GAC Event will be used to provide funding for research being conducted at local research facilities in Denver. These funds enable the facilities to launch important cancer studies that otherwise go unfunded.

The event offers a variety of sponsorship levels that include tickets to the dinner and entry into the golf tournament, as well as other opportunities to contribute. Donations apart from the scheduled events are always welcome.

To date, the Denver chapter has donated over \$1,500,000 to projects at University of Colorado Cancer Center and we are proud to announce that those projects have received nearly \$18,500,000 in grant money. Two of the projects we have funded led to the development of a clinical trial.

GOLFERS AGAINST CANCER®

**All proceeds from GAC fundraising efforts
go directly toward cancer research.**

Since our founding in 1997, Golfers Against Cancer has had one goal: to fund cancer research. Finding a cure to this dreaded disease is our mission. We are also unique among fundraising organizations in that virtually all of the money raised goes to cancer research.

GAC supports a variety of cancer research organizations, many of which offer matching funds to GAC's contribution. What's more, much of the seed money GAC contributes has led to proof of concept research that has resulted in a much higher total of governmental funding from the National Cancer Institute and the National Institute of Health.

GAC continually evaluates research organizations to assess whether their goals meet the goals of Golfers Against Cancer. Once these organizations are identified and funds are committed, selected members of our GAC Board monitor the progress of their cancer research efforts.

Nationally, past and present beneficiaries include MD Anderson Cancer Center, the Stehlin Foundation for Cancer Research, Prostate Cancer Foundation, The Methodist Hospital Foundation, Baylor College of Medicine, University of Colorado Cancer Center, and other leading cancer research organizations.

You can help Golfers Against Cancer by:

- Participating in our annual golf tournament and Cancer Research Gala and Auction.
- Bidding on silent and live auction items that include exotic vacations, dinners, golf, and a fabulous collection of other gifts and memorabilia.
- Contributing to the cause. Contributions will be gratefully accepted.
- Participating and becoming a GAC volunteer.
- Learn more about us by visiting our web site, www.denvergolfersagainstcancer.org.

Get involved and help us beat cancer.

Best wishes,

Scott Pearson
Chairman
